

## BLACK TEA

### ASSAM

From North East India's famous tea-growing region of Assam. Brisk with good astringency.

### EARL GREY

Black tea scented with the natural oil of the bergamot orange.

### BLACK TEA & THYME

Rich, full-bodied black tea with leaves of dried thyme gives spicy aroma and refreshing flavour to this exceptional tea.

### WILD CHERRY

Red cherries have a naturally sweet flavour with a hint of sharpness, which in combination with the black tea creates a soft, comforting taste and aroma.

### STRAWBERRY&MANGO

Ceylon tea with natural mango and strawberry pieces.

### PREMIUM PU ERH

The special character of Pu Erh tea comes from its being aged before consumption.

## GREEN TEA

### ORIENTAL SENCHA

Green tea Sencha blended with summer floral petals and sweet fruits make a delightful accompaniment to the rice taste of the sencha leaves.

### JASMINE BLOSSOM

Chinese green tea leaves scented with fresh jasmine flowers. It has a honey yellow hue and an aroma of tropical flowers. The flavour is delicate with a sweet aftertaste.

### GARDEN BERRIES

Green Ceylon tea blended with sweet, juicy, whole, natural hedge-grown berries and other delicious fruits. Clear bright cup, liquor with mild body, rich berry taste.

### MILK OOLONG

Traditional oolong tea with smooth creamy milk flavor.

### LAVENDER DREAM

A beautiful blend of green tea with fragrant lavender flowers and amaranth. Sweet floral aftertaste and notes of lemon.

## TISANES

### ROOIBOS BREAKFAST

The sweet aroma of mangoes, blackcurrants pieces and the zest of orange combine to make a smooth fruity cup.

### GINGER & LEMON

Root ginger and fragrant lemongrass blended with lemon peel .

### PEPPERMINT

Pure Moroccan peppermint leaf. The spicy (hence pepper) scent leaps out the cup, cool, clear mint flavour with refreshingly clean aftertaste.

### TROPICAL DELIGHT

Vibrant strawberry colour cup for this blend of cooling flavours. Aftertaste of mango and notes of cherry.

600 ml/240 rub.
